*Amazon Book Review Policy  
Demystified for Authors ...*

Amazon has made it clear over the years, and now with its change to add a \$50 minimum spend, that it is serious about trying to maintain at least some degree of integrity in Amazon book reviews. Its aim is clear.

# Online Library Amazon Book Review Guidelines

Amazon wants customer reviews that are posted by customers, and not by click farms, or gained by inducement or illegitimate means. Trying to garner the review system now can only lead to problems. The best way for authors to get book reviews is the old-fashioned way. Sell more ...
