Coaching Presence Building Consciousness And
Coaching Presence examines how self-awareness
can be built across key aspects of coaching
practice, introducing a model that will help
you make a conscious and deliberate choice
for every approach or intervention that you
use with your client. It explores how, by
paying close attention to the motivations
behind every coaching choice, you can
minimize the unconscious negative influences
and bias to produce the best outcome for the

Coaching Presence - Kogan Page
Building Coaching Presence for Leaders is a highly experiential program of personal excavation and application of Coaching Presence. The teaching cycles follow a rhythm of: new material presented and discussed, followed by small or large group breakouts for demonstrations, coaching practice and feedback.

of Tai Chi ...

I found Maria's 4 Modes of Presence Model a particularly framework to apply to my own practice as a coach, as it provides a framework to use when considering which mode of presence might be particularly useful; or as a tool to facilitate the process of reflective learning. It brings coaching presence into consciousness.
