Rotherweird is the first in a beautifully woven fantasy trilogy by Andrew Caldecott, infused with the feel of the Victorian and the Gothic. Much of the novel is given to world building and incorporates detailed descriptions of the anachronistic town, Rotherweird, and its rather eccentric inhabitants.

The narrator of all the Rotherweird audiobooks, Kris Dyer, was an asset to the series, juggling the anglicised names and their more unusual companions without pause. He created clear, distinct voices for each character, and remained engaging throughout. His voice had a pleasant, friendly quality and his pace was gentle without ever feeling slow.
