Duluth Wheel of Violence Fact Sheet - Avert

The Duluth Model Historically domestic violence was considered a 'personal problem.' However as the twentieth century progressed, some efforts were made within the public health, psychotherapeutic, and social service communities to address the problem. Almost inevitably, these efforts were organized around the

idea of fixing the relationship.

The Duluth Model - Abusive Relationships

Physical and sexual assaults, or threats to commit them, are the most apparent forms of domestic violence and are usually the actions that allow others to become aware of the problem. However, regular use of other abusive behaviors by the batterer, when reinforced by one or more acts of physical violence, make up a larger system of abuse.
