Stone
First Edition. An unusual book which recreates one year in the life of a group of Native Americans, the Anasazi, who lived in a pueblo community 900 years ago. This stone village was discovered in 1888 by two cowboys searching for lost cattle around the "Four Corners" area in a rock-

The book begins with a short report of a 1892 discovery in Mesa Verde, Colorado of the ruins of an Anasazi stone village under the rim of a cliff. The main section of the book,

Download File PDF The Village

Of Blue Stone
illustrated with softly shaded black-and-white pencil drawings, deals with the lives of the 25 tribal members who might have lived in such a village.
